Communication skills that facilitate understanding and enable an efficient working environment on and off shore. ## INTERESTS

I am a professional, confident and friendly person with over 8 years of experience in charter yachting industry, both sea and land experienced. I am looking to take part in a fixed charter crew, preferably on a sailing yacht. My professional interests are dual: IN season I work as a professional hostess, OFF season I work as a graphic designer, and I would like to keep up this working rhythm as long as possible. I look forward to every new working experience, and am always ready to learn and progress.

I am a passionate sports person and a lover of nature-so I naturally combine the two. I love sailing, swimming, biking and above all - dancing. I have been engaged in dancing -professionally or recreationally, from the age of 3, and am a fresh proud owner of a Dance Instructor's certificate (able to instruct salsa and other Caribbean dances).
